

THE OHC SINGERS (choir)

Thank you for your interest in joining the Oak Hills Worship Arts Ministry! We are a team of servant leaders called to connect others with the fullness of God through music and service. Before we are vocalists, we are worshipers. All Singers are expected to model this both on AND off the platform. Off the platform, we model worship with our submitted, Christ-centered lives reflected in our speech, attitudes and actions. On the platform, we are visibly and joyfully engaged in bringing an excellent musical offering to our King. This is best accomplished by memorizing the lyrics and vocal harmony parts to reduce our dependence on sheet music or on-screen lyrics. For the prepared Singer, focus on the music becomes secondary as focus on worship expression becomes primary.

The Singers provide a visual and audible example of the collective worship of the body of Christ. As an Oak Hills Singer, it is our goal to join and blend our voices as a choir to bring a supportive and uplifting addition to the worship team at the Crown Ridge campus. Our purpose is to offer our genuine worship to God and draw the church body to a higher level of worship in spirit and truth. The Singers help lead worship at Crown Ridge once per month and practice two Thursday nights prior to that weekend. In addition, we encourage members to serve at all of the weekend services whenever possible.

OHC members who have a musical gift and desire to serve with the Singers will be invited to a Thursday night rehearsal and will then be asked to stay after rehearsal for a brief, informal vocal assessment with the Singers' director and shepherds. This assessment involves singing in a small group with others on your part and allows our director the opportunity to assess how well you learn a vocal part and blend with others in the choir.

For more information about the Singers or to schedule a time to attend a rehearsal, please contact DJ Vila at djvila@oakhillschurch.com.
